NOVEMBER 2018 BULLETIN

The most anticipated month had finally passed with one of the biggest international events, the 44th International Federation of Asian and Western Pacific Contractors' Associations (IFAWPCA) Convention which took place from 12th to 16th November at the Kuala Lumpur Convention Centre. The Convention with the theme "Strategic Alliance with Innovation & Human Capital" was held together with a 3-day exhibition and a whole day conference which addressed issues revolving the construction industry at domestic and international level. I would like to take this opportunity to thank the Organising Committee and MBAM Secretariat for their great effort and hard work that have been put into making the 44th IFAWPCA Convention a success. I would also like to thank all MBAM members for attending the Convention, Conference and Exhibition. It is my hope that you will continue to support all our events in the future.

Let us walk down the memory lane with highlights from the 44th IFAWPCA Convention:-

44TH IFAWPCA CONVENTION OPENING CEREMONY

The Opening Ceremony for the 44th IFAWPCA Convention took place on 13th November at the Grand Ballroom which started off with the entrance of Chief Delegates and their Associations' Flags. Then we welcomed the arrival of Guest of Honour, Minister of Works, YB Tuan Baru Bian, followed by the IFAWPCA Hymn sang by UITM choir and the IFAWPCA History Video.

YB Tuan Baru Bian officiating the Opening Ceremony of 44th IFAWPCA Convention accompanied by Datuk Matthew Tee (far left); Chairman of CIDB Malaysia, Tan Sri Dr. Ir. Ahmad Tajuddin Ali (second from right) and Mr Foo Chek Lee

MBAM President, Mr Foo Chek Lee delivered his welcome speech by thanking YB Tuan Baru for gracing the event and welcomed all the international and local delegates. He also took the opportunity to thank all the sponsors for their support in making the Convention a success.

The 44th IFAWPCA President who is also MBAM Immediate Past President, Datuk Matthew Tee delivered his speech, encouraging more strategic alliance by continuing programs that can strengthen organisation and professionalism in the construction industry in the Asian and Western Pacific region through dialogue, education, training and resources.

Guest of Honour, YB Tuan Baru Bian then delivered his opening speech which he shared about the review on the 11th Malaysian Plan to overcome the issues of technology, manpower and cost across all sectors through 6 strategic thrusts and 6 game changers to spearhead the transition towards achieving a developed and inclusive nation. For instance, the

CONSTRUCTION INDUSTRY EXHIBITION 2018 “BRINGING CONSTRUCTION INDUSTRY UNDER ONE ROOF”

On the same day of 13th November, YB Tuan Baru Bian also officiated the 3-day Construction Industry Exhibition 2018 with the theme “Bringing Construction Industry under One Roof” at the ribbon cutting ceremony at Exhibition Hall 1 & 2. The successful Malaysia International Construction & Infrastructure Technology Exhibition (MBAM OneBuild) was held in collaboration with MBAM during the 44th IFAWPCA Convention.

MBAM OneBuild is the only exhibition in Malaysia that exclusively focus on the construction and infrastructure industry. Being marketed as a construction professional trade event, the MBAM OneBuild 2018 Exhibition was endorsed by Malaysia External Trade Development Corporation (MATRADE) for its international trade fair status, and was fully supported by related Malaysian government bodies such as Construction Industry Development Board Malaysia (CIDB) and Malaysian Investment Development Authority (MIDA).

The Exhibition which took place from 13th until 15th November had a total of 251 booths and attracted over 4,600 visitors with 14.4% foreign visitors. In addition, there was a free-admission Concrete Seminar presented by Academy of Concrete Technology and a Concrete Clinic set up by American Concrete Institute Malaysia Chapter to provide free consultancy on concrete issues. Other events held concurrently with the exhibition included networking sessions, live demonstration, construction CSR programmes and IPAF Malaysia Forum 2018.

44th IFAWPCA CONVENTION WELCOME RECEPTION AND DINNER

As we moved on to the night session, it was the Welcome Reception and Dinner at the Majestic Hotel Kuala Lumpur sponsored by Syarikat Pembinaan Yeoh Tiong Lay Sdn Bhd. All the guests were in for a treat as they got to experience the many different Malaysian snacks during the pre-dinner cocktail session at the foyer of Majestic Ballroom.

The night was coloured by a series of performance by the talented dancers from Istana Budaya that showcased Malaysian multiculturalism through

BUILDING & CONSTRUCTION CONFERENCE “GLOBAL MEGA WAVE”

On 14th November, the Building & Construction Conference took place at the Grand Ballroom of Kuala Lumpur Convention Centre, which saw the participation of over 800 attendees.

Prof Dr. Woo during his keynote address on Belt & Road Initiative (BRI)

The keynote address was provided by Professor Dr. Woo Wing Thye who touched on the Belt & Road Initiative (BRI) that China is undertaking. He mentioned that the members of IFAWPCA could all benefit from this BRI even though there is a lot of doubt and concern about the true nature of this initiative. The eminent professor sought to allay these fears by providing a picture of what China really hopes to achieve.

The Conference then proceeded with the presentation by Professor Dr. Anil K. Gupta who is the Chairman of the China India Institute, United States of America. He touched on the rise of emerging markets, infrastructure boom, focus on green initiatives, digitisation, transformation of mobility, communal millennials, and ageing populations which he said is a crisis which is brewing as care for the elderly without enough infrastructure for the aged is becoming a problem.

Mr Foo Chek Lee presented souvenir to the panellists on the discussion of External Threats & Opportunities (from left: Prof Dr. Mahendhiran, Prof Dr. Woo, Prof Dr. Anil, Mr Foo, Prof Tan Sri Lin, YB Nurul Izzah and Mr Chris)

In the panel discussion on External Threats & Opportunities moderated by Professor Dr. Mahendhiran S. Nair, the CEO of Monash Malaysia R&D Sdn Bhd, the panellists comprised of various different experts sat together to share their knowledge and viewpoints. Professor Tan Sri Dato' Dr. Lin See-Yan talked about global economics, Mr Chris de Lavigne shared about the growth of infrastructure and construction sectors in Asia and YB Nurul Izzah Anwar highlighted the need to reform the Technical Vocational Education and Training (TVET) programme in Malaysia.

The Conference continued after lunch with keynote address by Project Director of MRT Corp, Dato' Amiruddin Ma'aris who shared about the challenges faced with the construction of a major infrastructural project which is the Sungai Buloh-Serdang-Putrajaya Line as part of his presentation.

The session then proceeded with another panel discussion on Industry Challenges moderated by Dato' Sri Idris Jala who is the President and CEO of Pemandu Associates. The panellists consisted of Dr. John Keung who talked about Singapore's experience in building and construction, Ir. Parameswaran Sivalingam, a well known project director from MMC Gamuda KVMRT and Mr Michael J. McIver, an expert in the contractual and commercial aspects of building and civil engineering projects.

44TH IFAWPCA FAREWELL DINNER & PERFORMANCES

On to the night of 15th November, delegates were treated to a Malaysian cultural showcase at the foyer of Grand Ballroom, Kuala Lumpur Convention Centre before the start of 44th IFAWPCA Farewell Dinner. The showcase included pewter making, basket weaving, batik painting, songket weaving, wood carving, henna painting and Chinese calligraphy with the sound of Gamelan serenading in the background while guests mingled around.

Best Performance won by Maldives National Association of Construction Industry (MNACI) with a mixture of singing, dancing and instruments playing

Chairman of Construction Industry Development Board Malaysia (CIDB), Tan Sri Dr. Ir. Ahmad Tajuddin Ali was the Guest of Honour for the unforgettable dinner and performance night, sponsored by CIDB Malaysia.

All the guests let loose once the delegations' performance session commenced with a variety of performances from singing to dancing to showcasing the beauty of delegates' home country. Delegates were in for the Awards of Best Performance and Best Costume which they got to win USD1,000 respectively. The winners were given to prerogative decide which of their preferred charity in their home country will be the beneficiary.

MBAM Council Members and Secretariat staffs took the crowd by surprise when we did a flash mob to the songs of Mamma Mia and Dancing Queen, continued with a special arrangement of Dikir Barat and sang to the song "Setia". Delegates were also pulled in to join us for the performance making it a truly memorable moment.

After an eventful 3 days, the third hosting of IFAWPCA Convention in Kuala Lumpur drew to a close. It had been truly remarkable, with close to 5,000 trade visitors from over 20 different countries in attendance, generated new relationships while exchanging ideas and learning about the latest innovations, making good business even better. I hope you have found it a most beneficial & rewarding experience.

C & P PROGRAMME 7: CONSTRUCTION CONTRACT LAW PRINCIPLES PROCUREMENT SYSTEMS AND CONTRACTUAL ARRANGEMENTS

Guest Speaker, Sr. Ong Hock Tek, Director of BK Entrust, during his presentation

MBAM Executive Director, Ms Loh Mei Ling delivered the welcome speech during the 7th session of the Practical Construction Contract Administration/Management based on 48 BK ENTRUSTY's articles published in MBAM Journal from 2002 to 2016, which attracted 40 participants on 29th November at MBAM Training Centre.

The focus was on Construction Contract Law Principles and Procurement Systems and Contractual Arrangements.

Construction law is a branch of law that deals with matters relating to building construction, engineering and related fields. It is in essence an amalgam of contract law, commercial law, planning law, employment law and tort. Construction law covers a wide range of legal issues including contract, negligence, bonds and bonding, guarantees and sureties, liens and other security interests, tendering,

construction claims, and related consultancy contracts. Construction law affects many participants in the construction industry, surveyors, architects, builders, engineers, construction workers and planners. The following principles were dealt with in the session:

- ◆ The Malaysian Legal System
- ◆ Essential Legal Aspects of Contracts
- ◆ Remedies for Breach of Contracts and Torts
- ◆ Particular Aspects of Building and Construction Contracts and
- ◆ Salient Provisions in Building and Construction Contracts

Procurement systems and contractual arrangements were also other interesting topics covered in this programme.

OFFICIAL LAUNCH OF AIAC STANDARD FORM OF CONTRACT

Official Launch of AIAC Standard Form of Contract was held on 28th November at the Asian International Arbitration Centre (AIAC) Auditorium in Bangunan Sultan Sulaiman, Kuala Lumpur and was attended by MBAM Vice President and Chairman of Contracts and Practices Committee, Mr Oliver Wee and MBAM Assistant General Manager, Mr Lenny Lim. The Acting Director of the Asian International Arbitration Centre (Malaysia), Mr Vinayak Pradhan delivered the welcome speech.

In furtherance to the launch of a suite on Standard Form of Contracts (the "SFC") on 15th August 2017, the AIAC introduced its Standard Form of Design and Build Contracts at the above event.

The AIAC 2019 SFC is a comprehensive unified contract that does away with the distinction between With and Without Quantities. Users can now customise the contract to meet their specific needs. Furthermore, the AIAC 2019 SFC provides an option for the Parties to select a Contract Administrator (CA). If no CA is appointed, then the Architect will be the CA. The dispute resolution sections of the AIAC 2019 SFC incorporates the AIAC Arbitration Rules 2018 and the 2005 Arbitration Act (as amended 2018) and provides for adaptability to the latest tax regime. Since the inception of the Standard Form Contracts, there have been 19,000 visitors to the AIAC SFC web portal. Also, a total of 46,000 AIAC SFC forms have been downloaded with 250 contracts customised. Furthermore, there has been 3,500 roadshow delegates with over 15,000 copies disseminated and 6 in-house company trainings.

The AIAC is the first arbitral institution in the world to launch a suite of this kind that is suitable for all building construction projects in both Malaysia and abroad as it can be easily adjusted to the needs of a particular user.

APPEAL ON SST AND TREATMENT OF GST ON RETENTION SUM

Real Estate & Housing Developers' Association Malaysia (REHDA) and MBAM have managed to secure a meeting with the Royal Malaysian Customs Department to discuss on the above issue facing our members in the construction industry. The meeting was held on 30th November 2018 at the Director General of Customs' Office in Putrajaya. MBAM President, Mr Foo Chek Lee; MBAM Vice President, Mr Dennis Tan; MBAM Treasurer General, Mr Kenneth Liew; MBAM Honorary Advisor (Taxation), Mr Yee Wing Peng and MBAM Executive Director, Ms Loh Mei Ling attended the meeting.

The Customs Department do not allow any issuance of tax invoice after the 31st August 2018. As for the Retention Sum payment, they will consider for closure by June 2020. If there are still outstanding payment after this date, special approval need to be sought from the Customs Department. They are also reviewing the SST for inter-company transfer of staff.

We will update members upon receipt of the new directive from the Customs Department.
