

IPD-MBAM PROGRAMMES

OPEN UNIVERSITY MALAYSIA

OUM is owned by a consortium of 11 public universities in Malaysia. This has enabled the University to tap into not only the finest academic experts in the country but also the numerous facilities available.

OUM's academic programmes are designed to meet the needs of learners keen on acquiring the extra skills needed in the market place; giving them the edge in an increasingly competitive world. Quality and flexibility are the key words for all our programmes which focus on the application of knowledge and skills.

INSTITUTE OF PROFESSIONAL DEVELOPMENT

Recognising the need to remain competitive in today's knowledge-based global economy, the Institute of Professional Development (IPD) was established by OUM in November 2000 as one of its centres of excellence. IPD has poised itself as a leading provider of lifelong learning for working adults within and outside Malaysia.

IPD has been working closely with a network of leading local and international subject matter experts to provide innovative and advanced professional and management development programmes to meet the needs of individuals and organisations.

MASTER BUILDERS ASSOCIATION MALAYSIA

Master Builders Association Malaysia (MBAM) was founded in 1954 by a group of Malaysian pioneer master builders and contractors. Since then, it has grown into an organized and cohesive umbrella organization, representing the construction industry in Malaysia, and dedicated towards promoting and developing the industry. Over the years, MBAM has effectively made representations to the Government and non-governmental organizations for the development and betterment of the construction industry. MBAM is The Prime Mover and The Recognized Voice of the Malaysian Construction Industry.

MBAM has earned international recognition and prominence through its membership representing Malaysia in the International Federation of Asian & Western Pacific Contractors' Associations (IFAWPCA) and the founding member of ASEAN Constructors Federation (ACF).
