PROGRAMME

DAY 2 (20th Oct 2017) 8.30am-5.00pm

WORKSHOP ON MOBILE ELEVATED WORK PLATFORMS (MEWPs)

Trainer - Mr. Raymond Wat,
Regional General Manager
of IPAF, South East Asia & China

Understanding & Managing Mobile Elevated Work Platforms

This Workshop will list out the characteristics and the potential hazards of Mobile Elevated Work Platforms (MEWPs). Attendees will be able to understand the machine types and use, structural parts and MEWPs selection, awareness on the importance of operator training and familiarisation. The correct MEWPs personal fall protection and why safe operating methods and hazard awareness will be the focus of this Workshop. Understand MEWPs safety beyond training!

This 2-day seminar is a must for all company personnel who are responsible for occupational safety and health. Do not miss this opportunity to keep yourself and your safety personnel abreast with the latest technology, knowledge and information presented through this Seminar.
