Dear Sir/Madam,

DOWNLOAD THE MySejahtera APPLICATION

Enclosed herewith are the information and FAQs on the MySejahtera application.

MySejahtera is an application developed by the Government of Malaysia to assist in managing the COVID-19 outbreaks in the country. It allows users to perform health self-assessment on themselves and their families. The users can also monitor their health progress throughout the COVID-19 outbreak. In addition, MySejahtera enables the Ministry of Health (MOH) to monitor users' health condition and take immediate actions in providing the treatments required.

MBAM members are encouraged to ask all its employees including foreign workers to download and register for MySejahtera. This is to help in COVID-19 monitoring which is one of the criteria for site and office monitoring. Therefore, we urged MBAM members to show support for this initiative by the Government.

Yours faithfully,
MASTER BUILDERS ASSOCIATION MALAYSIA

LOH MEI LING
Executive Director
