Dear Sir/Madam,

FEEDBACK ON INTAKE OF FOREIGN CONSTRUCTION WORKERS

The Government of Malaysia is collecting feedback from the industry on its requirement for foreign workers to fulfil the manpower gap which is not filled by locals as well as the trades required. Master Builders Association Malaysia (MBAM) would like to get feedback from ALL members in order to present the most accurate information in terms of numbers and trades required to the Government on the manpower needs of the Malaysian construction industry. This survey is IMPORTANT as it will be used to present our case to the Government in deciding foreign worker policies in the future.
