National Ready-Mixed Concrete Association of Malaysia (NRMCA) is glad to announce that it be holding the National Concrete Convention and Exhibition on 27<sup>th</sup> June 2019, at Tropicana Golf & Country Resort, Petaling Jaya, Selangor.

Over the years, the Concrete Convention and Exhibition served as an excellent platform for the industry's experts, suppliers and regulators to share the latest technologies, knowledge and best practices for the betterment of the ready-mixed concrete industry. This highly anticipated event, which is held only once every two years attracts around 250 participants.

The Convention is a full day event which include breakfast, lunch and tea breaks. To help us defray the expenses, we cordially invite your esteemed company to be a Sponsor.
