Enclosed herewith the updated FAQ regarding Movement Control Order (PKP) by the Ministry of Works Malaysia dated 16 January 2021 for your information.

One of the updates that we wish to highlight is on Question 13:

Q: Is it necessary to do the RTK Antigen COVID-19 screening test if the COVID-19 RT-PCR screening test has been done before?

A: Foreign workers who have undergone the RT-PCR screening test **before November 2020** will need to undergo the RTK Antigen screening test again.

Members are encouraged to adhere to the directives made by the Government. MBAM would like to take this opportunity to wish all of you be safe and take care of your health.

Yours faithfully,
