Dear Sir/Madam,

Quick Survey on Vaccination Status in the Construction Sector

Our Industry is being impacted tremendously by COVID-19 and the government is taking steps to ensure that everybody is getting vaccinated. In order for the construction industry to resume operation, everyone in the construction sector should be vaccinated.

Vaccination programmes throughout the whole country had started for quite some time which includes the Program Imunitisasi Industri COVID-19 Kerjasama Awam-Swasta (PIKAS) and also Construction Industry Vaccination Programme (CIVac).

Therefore, MBAM would like to compile and gather your feedback with regards to the Vaccination Status in the Construction Sector. Your urgent feedback will help the Association to provide valuable insights in obtaining better feedback or update from relevant ministries and agency regarding the matter. It would also help us to request the Government to open up the construction sector. And to request for more vaccine from the Government for the construction sector. The more construction sector workers get vaccinated, the faster the construction sector can open up and resume its operations.

We would like to compile the feedback and the deadline is on or before 3:00pm, 23 July 2021 (Friday).

Should you require further information, please do not hesitate to contact Ms. Shirley Foo at 017-574 4377 or email mbam23@mbam.org.my

Kindly revert back on or before 23 July 2021 (Friday), 3:00pm

Thank you.

Yours faithfully,
MASTER BUILDERS ASSOCIATION MALAYSIA
