Dear Sir/Madam,

Quick Survey on Booster Vaccine in the Construction Sector

Ministry of Health has started giving booster dose to Frontliners and Senior Citizens who have been fully vaccinated. The booster dose is important as the immunity from the initial doses will naturally starts to wane with time. This will improve or gives the immune system a boost to ensure an optimal coverage period.

As to ensure that the Construction Industry remains minimal effect under the influence of COVID-19, it is recommended for workers to have the booster dose.

MBAM would like to compile and gather your feedback with regards to the interest of the booster dose. Your urgent feedback will help the Association to provide valuable insights in obtaining better feedback or update from relevant ministries and agency regarding the matter.

For members that are interested to participate, we would like to compile the feedback and the deadline is on or before 3:00pm, 19 November 2021 (Friday).

Should you require further information, please do not hesitate to contact Ms. Shirley Foo at 017-574 4377 or email mbam23@mbam.org.my

Kindly revert back on or before 19 November 2021 (Friday),
3:00pm

Thank you.

Yours faithfully,
