PRESS STATEMENT

**MASTER BUILDERS ASSOCIATION MALAYSIA (MBAM) STRENGTHENS ITS PARTNERSHIP WITH CHARTERED INSTITUTE OF BUILDING (CIOB) THROUGH SIGNING OF MEMORANDUM OF UNDERSTANDING (MOU)**

Kuala Lumpur, 25 November 2022 – Master Builders Association Malaysia (MBAM) signs Memorandum of Understanding (MoU) with Chartered Institute of Building (CIOB), further strengthening its years of synergic partnership. Mr Oliver HC Wee, MBAM President and Ms Caroline Gumble, CIOB Chief Executive signed the MoU on behalf of their respective sides.

MBAM as “The Prime Mover and The Recognised Voice of the Malaysian Construction Industry”, is committed to building a resilient, agile and sustainable construction society through various cooperation and collaborations with its members, ministries, government institutions and NGOs.

Our partnership with CIOB, the world’s largest and most influential professional body for construction management and leadership dates back to the year 2016 where CIOB first started as our Affiliate member till today, where CIOB Malaysia Chapter is now a Council Member of MBAM. CIOB’s presence also extends globally in areas of development, conservation and improvement of the built environment.

Through this MoU, we reaffirm this collaborative partnership as MBAM and CIOB continues to maximize our respective strengths and resources to complement each other’s strategic work whether it be in terms of education, training or activities concerning construction management and construction technology. Our partnership is particularly relevant in this post pandemic era as we move towards recovery in the construction sector where elevating our construction fraternity in the industry and society at large is our utmost priority.

We live in a challenging but exciting time and MBAM is optimistic about the future we will pave together. It is our hope that MBAM and CIOB continuously work together hand-in-hand to further foster collaborative partnerships for the betterment of the Malaysian construction industry.

Oliver HC Wee  
MBAM President
