INTRODUCTION

CIDB Malaysia is currently taking steps to certify and accredit Construction Managers via the Certified Construction Manager (CCM) Programme under the requirement of the CIDB ACT 520, Part VII, Section 3(1)A and Part II, Section 4(1)(k) where construction projects are managed only by trained, qualified and competent managers registered with CIDB.

It is the plan of CIDB that by 2023, construction projects with a minimum value of RM50 million augments the CCM Programme

3 Method of accreditation

- Training & Assessment
- Assessment only
- **Interview or Recognised Prior Learning and Experience (RPLE)**
