Dear Sir/Madam,

SEMINAR ON SLURRY SOLUTION FOR CONSTRUCTION UNDERGROUND PERMANENT STRUCTURES AND FOUNDATION TECHNOLOGY: A SNEAK PEEK INTO THE FUTURE AND MBAM FELLOWSHIP NO.5/2022 ON 9 SEPTEMBER 2022 AT SUNWAY EIGHT GOURMETS GALA, PETALING JAYA.

Master Builders Association Malaysia (MBAM), Liebherr Construction Machines Malaysia and GEO Ground Engineering Operations Malaysia Sdn. Bhd. are jointly organising the Seminar On: Slurry Solution For Construction Underground Permanent Structures and Foundation Technology: A Sneak Peek Into The Future followed by MBAM Fellowship No.5/2022 on 9 September 2022 at Sunway Eight Gourmets Gala, Petaling Jaya.

Major advancements are happening around the world in deep foundations, be it bored pile, diaphragm walls, micropile or even tunnelling. While the market is being flooded with products to assist in the construction, the big puzzle is still missing on how to convert these products into a workable solution that will benefit the stakeholders in producing underground structures.

The registration for this seminar is **Free of Charge** and seats are limited to a maximum of 3 pax per organisation. Only registered participants are also entitled to attend MBAM Fellowship at 5.00pm onwards at the same venue with **no charge.** However, due to limited seat, participant are encouraged to register early to avoid disappointment.

For more information on the seminar and fellowship, kindly refer to the attached brochure. Should you need further information, please do not hesitate to contact MBAM Secretariat, Ms Chai Min Fung at 012-717 0377 or Ms Sharon Yu at 012-213 3675 or email us at mbam06@mbam.org.my or mbam22@mbam.org.my.

Thank you.

Yours faithfully,
MASTER BUILDERS ASSOCIATION MALAYSIA

LOH MEI LING
Executive Director
